Tribune News Service Dehradun, January 3

Chief Minister Trivendra Singh Rawat inaugurated a bio-crush vending machine for destroying plastic bottles at the Secretariat here today.

The automatic machine would help destroy and later recycle plastic bottles used on the premises of the Secretariat. The CM said the vending machine would help keep the Secretariat clean.

Dr Raghav Langar, Director, Swajal, said the bottles would be crushed and converted into flex through the crusher, which would then be used again. "Nearly 5,000 bottles can be crushed through the vending machine every day," said Langar.
